Dear Dr. Baker-Parachou:

We are pleased to inform you that you have been selected by a vote of your peers to be included in the 2017 database of *topDentists*.™ The listings for the Sacramento area appear online now at www.usatopdentists.com

Because *topDentists* is based on an exhaustive peer-review survey in which dentists and specialists throughout California cast “votes” on the abilities of other dentists and specialists, and because listings cannot be purchased (and no payment is required to be listed), inclusion in *topDentists* is considered a singular honor.

With over fifty years in combined experience compiling peer-review professional referral guides, we have been able to use our experience along with the input of dentists across the United States to create a methodology that has been refined and improved over previous superlative guides.

Congratulations on being honored by your peers.

Sincerely,
